

Technically attractive charts for value-oriented investors.

04/22/26

Charts highlighted: XPER, COLM, HOG, UAA, BBBY, BKE, CAL, LZB, MARA, OXM, PTLO, RICK, VAC, BF.B, HELE, HNST, BCBP, BWIN, CNS, INBK, UNH, AMN, ASTH, AURA, LFN, TBRG, TGTX, URG, VC, CBT, WS, AAT, HPP, SLG, EFT, MAN, RHI, XYZ, ADV, CBZ, GEO, PSFE, RPAY, TZOO, CDW, MSTR, NTAP, ORCL, AEVA, AMBQ, ATOM, CEVA, HLIT, LIF, NTGR, OSPN, OUST, CHTR, LBRDK, NWSA, AMCX, BMBL, CABO, GRPN, IBTA, OPTU, PUBM, RBBN, and TTGT.

The following charts are demonstrating selling exhaustion, bottoming patterns and, in some cases, positive inflections. The bottom-fishing ideas presented here serve as logical starting points for identifying improving price and relative strength reversals.

Caveats to keep in mind:

- The probability of bottom-fishing success increases within the “leadership” Sectors/Groups.
- Increasing positions in laggard stocks works best after clear demonstration of a positive inflection(s).
- Increasing positions in a bull market versus bear market improves the probability of success.

Disclaimer: The information contained herein is privileged, confidential and protected from disclosure. Any unauthorized disclosure, distribution, dissemination or copying of this material or any attachment is strictly prohibited; such information, whether derived from Vermilion Research or from any oral or written communication by way of opinion, advice, or otherwise with a principal of the company is not warranted in any manner whatsoever, is for the use of our customers only and may be obtained from internal and external research sources considered to be reliable. It is not necessarily complete and its accuracy is not guaranteed by Vermilion Research, its operating entity or the principals therein. Neither the information nor any opinion expressed constitutes a solicitation for the purchase of any future or security referred to in Vermilion research publications. Principals of Vermilion Research may or may not hold, or be short of, securities discussed herein, or of any other securities, at any time. The foregoing also expressly applies to any trial subscription. EU disclaimer: The statements in this document shall not be considered as an objective or independent explanation of the matters. Please note that this document (a) has not been prepared in accordance with legal requirements designed to promote the independence of investment research, and (b) is not subject to any prohibition on dealing ahead of the dissemination or publication of investment research.
